

PROCEEDINGS OF AICCIP ANNUAL GROUP MEETING: 2007-08

BREEDING PANEL

PAU, Ludhiana

Date: 10th April, 2008

Chairman: Dr. K. C. Jain, ADG (CC), ICAR, New Delhi
Co-Chairmen: Dr. B. M. Khadi, Diector, CICR, Nagpur &
Dr. N. Gopalakrishnan, PC & Head, CICR, Coimbatore
Convenor: Dr. P. Pundhir, Principal Investigator, AICCIP
Rapporteurs: Dr. S. Manickam, CICR, RS, Coimbatore &
Dr. R.K. Gumber, PAU, Ludhiana

The technical programme of the breeding trials, both national as well as zonal, were formulated for the year 2008-09 on 10th April, 2008 in the breeding panel. The breeders are requested to submit two pockets of seeds (in case of varieties) in addition to the number of locations finalized in the panel for submitting to the Director, CICR, Nagpur as per the directives of NBPGR for long term storage of elite breeding materials.

Last date for submission of seeds at CICR, Coimbatore : 23-04-2008, at 5 PM

Date of issue of coded seeds : 26-04-2008 after 4 PM

Private R & Ds – Please pay the testing fee specified for each entry at national level in the form of **Demand Draft drawn from any Nationalized Bank** drawn in favour of **Project Coordinator (Cotton Improvement) & Head** payable at Coimbatore while submitting the seeds. No entry shall be entertained without the submission of testing fee and R & D recognition by DST. The companies which have not updated the R & D recognition shall update and submit a copy at the time of depositing the seeds without which the entry shall not be included in the trial.

GENERAL POINTS TO BE NOTED

- The seeds sponsored for breeding trials should be acid delinted and without any seed treatment and packed individually as indicated in the concerned trials. Fuzzy seeds and seeds treated with any coloured chemicals will be out rightly rejected during coding.
- Each packet of seed must have name of the entry, trial name, quantity of seeds etc.
- The senior scientists of the concerned state are requested to send the local check varieties / hybrids of those trials being conducted in the state / zone (including private R & D trials) without fail. All the check varieties / hybrids should be packed separately and legibly labeled mentioning the name of the trial.
- The trials should be conducted strictly as per the technical programme **and no other entry should be included** in the trial (including the check varieties).
- All the trials should have at least one border row.

- All those who are conducting the breeding trials are requested to furnish both the mean data as well as the replicated data analyzed statistically in respect of seed cotton yield (kg/ha), lint yield (kg/ha), ginning outturn (%), Lint Index (g), Seed Index (g), biomass (t/ha) and boll weight (g/boll).
- The seeds harvested in both varieties and hybrids are to be analyzed for seed oil content.
- All the data sheets should have Name of the agency conducting trial, location of the trial (and not the location of the company) and the name of the trial.
- The data should be submitted separately in different sheets for each trial, and the data of different trials are not to be combined in a single sheet.
- The incomplete and insufficient data will not be included in report preparation, and shall be reported to the higher officials for non compliance.
- **The lint samples pooled over replications should be prepared for all the entries from the first picked kapas**, cleaned neatly and labeled properly (mentioning the name of the agency conducting the trial, location of the trial, and code number in each packet of the lint sample) and sent to concerned CIRCOT centre (North Zone Trials – CIRCOT unit at Sirsa; National trials - CIRCOT unit at Nagpur; Central Zone trials – CIRCOT Unit at Surat and South Zone - CIRCOT unit at Coimbatore) for fibre quality evaluation in time (**on or before 30-12-2008**). The copy of the covering letter of lint sample submitted to CIRCOT must be communicated to the Principal Investigator (Plant Breeding) and to the Project Coordinator.
- The data should be submitted in both hard copy (containing mean as well as replicated data) and soft copy (only in the form of Excel spread sheet in a CD). For data sheet model, PC's office may be contacted at the time of report preparation by e-mail at cicrcbe@gmail.com, pundhir_pramod@rediffmail.com. The trial wise summary table are to be submitted without fail for easy compilation of data.
- **Kindly note that the last date for the receipt of the data is 30-01-2009 (for north zone locations), 15-02-2008 (for central zone locations) and 28-02-2008 (for south zone locations). Data (both hard copy as well as soft copy) received after the due data shall not be included in the report.**
- All are requested to visit the website of CICR / AICCIP at www.cicr.org.in for any information, announcement and for data sheet.
- Bt cotton trials formulated will be conducted subject to the notification by GEAC.
- All the breeders are requested to either part 20g seeds for Pathology / entomology observations.
- Seeds received in less quantity than the prescribed quantity will not be included in the trial.
